

# 2023 RACK RATE SHEET

The past two years have taught us a number of things, not least, the importance of travelling with impact...to increase wildlife habitat, biodiversity and support communities embracing these goals. We continue our journey of positive impact and share with you our **2023 rates**.

## **Changes from 2022:**

- *Due to the galloping inflation, we are increasing our 2023 rates by 7%.*
- *Our deposit requirement is back to 20% to confirm a booking.*
- ***EV-1**, one of the first electric vehicles in Maasai Mara, is enhancing the game-viewing experience for guests but is also a testament to our commitment to sustainability. Our fleet's frugal flagship is charged using 6,600 watts of solar panels set up at Kicheche Mara.*
- *We will be closing 15 April and reopening 15 May 2023.*
